

about, I do appreciate my friend from Georgia coming, and I do ask that all of our Members look at H.R. 4437, the Generic Drug Pricing Fairness Act, and I would encourage them to be original cosponsors and be a part of the bill that has just been dropped. We want them to be a part of this because this is a conversation that both sides of the aisle can have when it comes to dealing with our folks back home and all across this country.

Fairness is what it is all about.

With that, Madam Speaker, I yield back the balance of my time.
